We are also able to provide Thai buffet options to cater your party at an additional cost, but you are more than welcome to bring your own food. However, we cannot allow third party catering services.

“ From the very outset, when I made my reservation at OX2 I was met with the most caring and attentive staff who helped every inch of the way in the planning of my wife's surprise birthday party. We were given a fabulous range of options for our party menu. The whole evening was fabulous. Thank you OX2”
